

Dear Sirs,

We declare that the optical door viewers used in the informed " Fire Resistance Classification" nº 6385/03-2-C1, by the accredited LICO F laboratory with the description "Optical door viewers Pedret SULF 35-85" is the same we sell with the code SWLF 70-90mm, and that it is manufactured exactly in the same way.

We would like to inform that we manufacture this type of door viewers since more than 20 years and that many of our customers have used them to pass fire resistance tests, both EI30 and EI60 in several countries in Europe.
